

FY25 PREMIUM PRODUCTS GROWTH AWARD WINNERS

We are proud to recognize 103 accounts that achieved remarkable growth in fiscal year 2025 through the Cenex® Premium Products Growth Program. Each of these accounts surpassed their combined three-year average purchases of Cenex premium diesel fuels and lubricants. This impressive milestone reflects their confidence in our products and commitment to the trusted Cenex brand.

In recognition of this exceptional performance, each account has been awarded the **Cenex Premium Products Growth Award**, along with a formal letter of recognition. This accomplishment highlights their dedication to fueling growth in their operation with the Cenex brand. We look forward to celebrating more successes with the Premium Products Growth Program in the years ahead!
